Buddhist Classes for Children in 2018

The Buddhist Discussion Centre Australia will conduct classes in Buddhism for children of various ages accompanied by at least one of their parents starting in February 2018.

The purpose of our classes is to offer children an introduction to attitudes and behaviours recommended in Buddhist Teachings to help them live a happy life.

Six classes will be held starting from Saturday the 17th of February 2018 until Saturday 31st of March 2018.

Classes for Primary school children will run from 10.30 am until 11.30am and classes for Secondary school children will run from 12 noon until 1.00pm

The two classes syllabus have been developed specifically for Primary and Secondary school children and will include the story of the Buddha, an introduction to Buddhist Teachings and culture, guided meditations, colouring books and Buddhist songs.

The inclusion of an accompanying parent with each child is to support the learning of the children beyond the classroom environment.
